

## VPS Client Agreement

I, \_\_\_\_\_ (please enter full name) with trading account number \_\_\_\_\_, hereby submit my application to use a Virtual Private Server provided by MEX Global Financial Services.

I confirm that I have read, understood and agree with the statements written below regarding my application to trade using a Virtual Private Server (VPS).

### Network and System

The Virtual Private Server is owned and managed by a third party and MEX Global Financial Services LLC shall not be made liable for any malfunction or error of the hosting service including, but not limited to, network communication breakdown, data failure or system errors. Furthermore, there are other risks carried when using a Virtual Private Server that MEX Global Financial Services LLC shall not be made liable for including, but not limited to, the malfunction of software, Internet connection and hardware. MEX Global Financial Services LLC does not control signal strength or the configuration of the Virtual Private Server and its reliability.

### Terms and Conditions

The Monthly Terms and Conditions to use a Virtual Private Server are:

1. A minimum account balance of \$2000.
2. For Standard and Pro accounts, minimum amount of 10 trading lots round trip, per month from the date herewith must be attained. For ECN accounts, a minimum of 20 trading lots round trip per month must be attained.
3. Any breach of the conditions 1 and 2, on a monthly basis will result in a server fee of \$50.
4. MEX Global Financial Services LLC reserves the right to refuse or cancel the VPS service at its sole discretion, and will inform the client.

- I confirm, understand and agree to the validity of this agreement and all previous disclosures and agreements that I have signed with MEX Global Financial Services LLC including, but not limited to, the Client Agreement.
